

## **THUNDER AND LIGHTNING POLICY**

- If Thunder is heard or lightning is seen by anyone on the field, in the dugout, by the officials, by a spectator, or by a league official, there is a mandatory Thirty (30) minute wait time from the last sound of thunder or flash of lightning. The thirty (30) minutes resets after every thunder or lightning incident.
- All players, coaches, spectators, and officials are required to leave the fields and wait out the delay in a vehicle in the parking lot.
- Games can and may be called for rain. This is dictated by the officials.
- THERE ARE NO EXCEPTIONS TO THESE RULES. Safety of the players is the most important thing in these situations.
